

USING DESIGN THINKING TO DEVELOP AN INTERVENTION FOR PERSONS LIVING WITH COGNITIVE IMPAIRMENT AND THEIR CAREGIVERS

- Are you ...
 - i. A person living with **memory loss** or another type of **cognitive impairment**?
 - ii. A **care partner**?
- Do you **both** have **trouble getting restful or uninterrupted sleep**?

This study is for you.

Study Purpose: To hear about your sleep patterns and how you manage difficulties with your sleep.
